

## STUDENT OATH

By accepting membership in Infinite Taekwondo Academy, I agree to obey all of the rules and regulations that Infinite TKD has established or hereafter establishes, and to direct my wholehearted and genuine efforts towards spreading Taekwondo in the world. I agree to exert my best efforts in the study of Taekwondo, including its theoretical and technical aspects. I understand that any self-righteous modification or distortion of the theory, technique, or formal exercises is not allowed when I teach Taekwondo to others.

I understand that my promotion to belt ranks (white, yellow, green, blue, and red belts) and to Dan ranks (black belts) is entirely at my instructor's discretion, and that being recommended to test for such promotions is contingent on my instructor's assessment of my daily practice, the frequency of my class attendance, my general progress, my daily mental attitude, and so forth. Finally, I will not under any circumstances make illicit or impermissible use of the abilities and techniques that I acquire in the process of studying Taekwondo.
